

Consumers' Choice

Open for V-Label licensed vegan products only

GENERAL QUESTIONS

Prior to selecting the category you wish to enter your product in, you will need to answer the following questions for each product.

Is this a single product or a product range?

Product name

Country of production (multiple options can be selected)

Where is this product available? (multiple options can be selected)

Is this product V-Label licensed, and does it carry the VEGAN V-Label?

If so, you will be asked to select which local V-Label partner has licensed this product.

If not, you will be asked to select whether your product fits the V-Label vegan criteria.

Please choose the category you wish to enter this product in.

The options here depend on whether this product is V-Label licensed or if your brand is an exhibitor at Plant Based World Expo Europe 2023.
